

Confirmation

WELL Building Standard™

On 28 July 2021, Eurofins Product Testing A/S received a sample of a raised access floor system with the product name:

FDEB_H

supplied by

Kingspan Access Floors Ltd

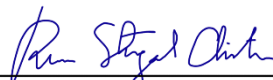

The sample was supplied as being representative of the manufactured product. Sampling, testing and evaluation were performed in accordance with the CDPH 01350 (January 2017) test standard (See test report no. 392-2021-00379606_H_EN).

The tested product complies with the requirements of WELL v2 Feature X11 Long-Term Emission Control: Part 2: CDPH-IAQ (California Department of Public Health (CDPH) Standard Method v1.2-2017).
